RE: Change in Ownership Water Right No. 29-13348

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership on August 18, 2021 for the above mentioned water rights. The Notice could not be processed because the water right does not appear to be appurtenant to your property. Please review the map attached showing the place of use of the water right and property boundary. If you feel this is an error, please contact the department.

Because the department is returning your application you are entitled to a full refund. The department has initiated the refund and it should arrive from the state office in couple of weeks.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
