Megan and Sean,

Hey, I looked over your application and found that it is not complete. First the ownership has been processed previously so it will not be considered on this transfer. Second during the previous ownership the water right number changed, so the one in the app is incorrect. Third section number 5 was wrong. Fourth we have not received the proper fee for this transfer, we will need \$200.00 to process this transfer.

I have made those changes on page one to reflect what your intentions are for the transfer. Take a look and let me know if you approve the amendment I wrote up for you. You can also mail in a check written out to IDWR. Hope you have a good day.
