Good Afternoon Mr. Cefalo,

We had requested a three-year extension to install an irrigation system to use our water right on the L-9 Ditch. As of today, 8/24/2021, we are informing the Idaho Department of Water Resources we are officially connected. Due to curtailments on the Lemhi River to the L-9 Ditch, our test was brief, but successful.

The time the IDWR Staff spent on our Water Right is immensely appreciated. Thank you.

Kind Regards,
