RE: Change in Ownership Water Right No: 63-3006

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice). The Notice that was submitted indicated water right 63-3006. This water right was disallowed in the SRBA court. Water right 63-9302 is appurtenant to the property shown on the map that you submitted. Please confirm this is the correct water right and it will be corrected on the form. I've enclosed a water right report and map for your benefit.

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

 X Evidence of Water Right Ownership: copy of Deed, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4920 or debbi.judd@idwr.idaho.gov.

Sincerely,
