Subject: Correction to Water Rights (63-10149 & 63-5279)

This letter is in reference to my visit to your office on 13 July 2021. Per our discussion, I am requesting that the parcels assigned to Water Rights 63-5279 and 63-10149 be corrected to reflect the correct parcel assignments.

As we discovered in reviewing the water right documents, when parcel numbers were assigned they were improperly assigned. Water Right 63-5279 should be assigned to parcel S140323600 and 63-10149 should be assigned to parcel R3610220093.

I appreciate your consideration of this request and would appreciate a copy of the corrected documents. If there are any question please contact me at 208-859-3559

Sincerely,

Clayton B. Anderson
