RE: Permit No. 63-34332

Dear Permit Holder:

The Department of Water Resources ("Department") received your Request for Extension of Time ("extension request") on August 12, 2021 regarding the above referenced permit.

Department policy is to return to the permit holder extension requests, which are filed more than six (6) months prior to the Proof of Beneficial Use due date, as they are considered premature. Since the proof due date on this permit is April 1, 2022, the Department is returning your extension request as unprocessed.

A refund of \$50 has been requested and will be sent to you under separate cover from the Idaho State Controller's Office within 10 days.

The Department will send you a "Proof Due Notice" approximately 60 days prior to April 1, 2022 requesting you to file either a Proof of Beneficial Use form or a Request for Extension of Time form.

Please contact me at (208) 287-4920 or debbi.judd@idwr.idaho.gov if you have any questions.

Sincerely,
