RE: Updated Ownership Information for Water Right No: 63-18069

Dear Michael and Linda Austin:

The Department of Water Resources (Department) has updated the owner and contact information, the place of use, and the points of diversion for water right no. 63-18069 to match the amended partial decree filed by the SRBA in 2005. The water right is now correctly in your name. We have enclosed a computer-generated report and a copy of the water right map for your records.

If you have any questions regarding this matter, please contact our office at (208) 334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lynne Evans', is written over a horizontal line.
