RE: Change in Ownership Water Right Nos: 65-432, 65-433, 65-11360, 65-12049, & 65-22439

Dear Interested Party:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- X Evidence of Water Right Ownership: copy of Deed, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question – a quit claim deed was submitted for a parcel of property (approximately 6.6 acres) appurtenant to water rights 65-433, 65-12049, and 65-22439. These water rights are in the names of Clarence D. Link and Lorna R. Link. Please provide chain of title from the Links to you. Also, a Full Reconveyance was submitted. This document does not include a property description, but refers to property described in a Deed of Trust. If the property conveyed in the quit claim deed is the same as the property described in the Deed of Trust, you may alternatively submit the Deed of Trust as evidence of ownership.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4920 or debbi.judd@idwr.idaho.gov.

Sincerely,

Debbi Judd
