PROOF DEFICIENCY LETTER

RE: Permit No. 96-9694

Dear Permit Holder:

The Department received the proof of beneficial use (proof) form you submitted for the above referenced permit.

I am returning the form to you because information provided on the application is not sufficient or incomplete. Please address the following items on the form:

- Item #2 is missing the name of the permit holder.
- Item #6 is missing the diversion rate.
- This permit is in the name of Mark Storms. The proof is signed by Julia Storms. Please have Mark Storms sign the proof.

During review of your proof statement and the permit listed above, I noticed that you stated a beneficial use of irrigation of 5 acres, which is not authorized on this permit. Diversion of water under this permit is limited to the authorized amount. I have enclosed a copy of your proof statement and this permit for your reference. You may apply for another permit to cover additional water use if needed. Application for Permit forms are available from any Department office or at the Department's website at www.idwr.idaho.gov.

Please resubmit the completed form at your earliest convenience before the proof due date of **September 01, 2021** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4920 or debbi.judd@idwr.idaho.gov.

Sincerely,

Debbi Judd
