Re: Permit No. 65-23703 – 2021 Q1 Reporting Requirement

Dear Mr. Dobson:

Consistent with the *Agreement in Resolution of Protest* executed between you and the Bogus Basin Recreational Association, Inc. ("Bogus Basin") in resolution of your protest to Application for Permit No. 65-23703, and Condition of Approval No. 7 as to Permit No. 65-23703, Bogus Basin is required to report to you, on a quarterly basis and for the first five years that storage occurs under this right, with copies to the Idaho Department of Water Resources: (1) the monthly volume of water diverted from the pond; and (2) the starting and ending pond elevation for the same period.

For Quarter 1 of 2021, the below table demonstrates compliance with the reporting requirement:

|                                    | Jan. 2021 | Feb. 2021 | Mar. 2021 |
|------------------------------------|-----------|-----------|-----------|
| Volume of Water Diverted from Pond | 16.43     | 2.91      | 0.12      |
| Starting Pond Elevation for Month  | 5954.5'   | 5955.5'   | 5964.5'   |
| Ending Pond Elevation for Month    | 5955.5'   | 5964.5'   | 5967'     |

The pond is measured at 5975' top elevation and 5930' bottom elevation.

Sincerely,

Chris M. Bromley
