James:

The parties to the LCSC transfers (Transfer Nos. 84488 and 84490) have stipulated to move the expert report disclosure deadline and discovery response deadline to Friday, July 16th. The parties have also agreed to vacate the hearing currently scheduled for August 25th-27th. We request that a prehearing conference be set on day that works with your schedule during the week of July 19th. We can reschedule the hearing date at that time.

I have received confirmation by email from all counsel involved in this matter, and have copied them on this email as well.

Thanks,

Robert L. Harris
