Re: Change in Ownership for Water Right No(s): 71-26B; 71-27B & 71-10059

Dear Water Right Holders:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records and has enclosed a computer-generated report for you.

Please note, the water rights currently identify Michael Lawrence of Givens Pursley LLP as the attorney. If this is no longer correct, the Department can remove and/or update the attorney on the water rights with your written authorization (letter or email correspondence: william.mills@idwr.idaho.gov). Identifying an attorney on a water right is not required, but does ensure that your attorney will receive copies of any correspondence related to the water rights.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

It should be noted that Michael Lawrence at Givens Pursley LLP is listed as the attorney of record on the water rights. If he or this firm is not your current attorney, you can send me an email (william.mills@idwr.idaho.gov) or mail the Department a letter indicating that you would like us to remove him from the water rights and/or add a different attorney or law firm if you wish.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

A handwritten signature in black ink that reads "Bill Mills".

Hi William,

I believe you spoke with the new water right holder for the above water rights and needed this corrected/rerecorded warranty deed to revise the mailing address for them.

Please let me know if you need anything further.

Thanks,

Curt
