PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 78-12520

Dear Permit Holder:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Debbi Judd

Dear Mrs Judd,

As WaterMaster of Water District 78-C and after inspecting the wastewater permit #78-12520, I have determined that a lockable headgate, measuring device, and fish screen are not necessary or applicable to this permit.

Sincerely,
