Re: Lease end date

Lori Graves contacted me on June 21, 2021 regarding the lease end date of WSB Lease Contract 1379. The contract put the end date at December 31, 2022. In the cover letter that accompanied the WSB application, it clearly states the contract is for one year. I updated the end date WSB lease contract 1379 for water right 37-21114.
