12. MORTGAGOR shall pay the indebtedness, secured by this Mortgage as and when called for in the documents evidencing the same and will fully and promptly perform all of the obligations under the Note and this Mortgage as such performance becomes due.

13. The term "event of Default," as used in this Mortgage, shall mean the occurrence or happening, at any time and from time to time, or any one or more of the following:

(a) If MORTGAGOR shall fail to pay, in full, any payment or any portion of the indebtedness secured by this Mortgage, when the same shall become due and payable, whether at this due date thereof stipulated in the Note and this Mortgage, or by acceleration or otherwise; or

(b) If MORTGAGOR shall fail, refuse or neglect to perform and discharge fully and timely any of the other obligations of MORTGAGOR under the Note and/or this Mortgage; or

14. 15. In addition to the foregoing, MORTGAGEES' rights in the Event of Default shall include, but shall not be limited to, the right of MORTGAGEES' to:

(a) Take possession and hold, occupy, operate, and use the property, together with the personality, without liability or obligation on its part, and to do all acts affecting said property as MORTGAGEES' may deem necessary to keep the property in good condition and repair and to conserve the value thereof;

(b) To the extent permitted by law, bring an action to collect any installment which is due or past due and payable without affecting or losing the security of this Mortgage or waiving any other right or remedy allowed by law;

(c) Foreclose this Mortgage in the manner provided by law for the foreclosure of mortgages on real property, bring an action for damages, or exercise such other remedy or combination of remedies as MORTGAGEES may have under law or equity;

(d) Apply to a Court of competent jurisdiction for the appointment of a receiver to take charge of the property and, with or without the appointment of a receiver: 1) collect the rents, issues and profits therefrom; 2) care for and repair the same, and improve the same when necessary or desirable; 3) lease and rent the property or portions thereof (including leases existing beyond the term of receivership); and 4) otherwise use and utilize the property, and have such other powers as may be fixed by any Court of competent jurisdiction. MORTGAGOR specifically agrees that the receiver may be appointed without any notice to MORTGAGOR whatsoever, and the Court may appoint the receiver without reference to the adequacy or inadequacy of the security, or the solvency or insolvency of MORTGAGOR, and without reference to other matters normally taken into account by courts in the discretionary appointment of receivers, it being the intention of

MORTGAGOR to hereby authorize the appointment of a receiver when MORTGAGOR is in default and MORTGAGEES have requested the appointment of a receiver, MORTGAGOR hereby agrees and consents to the appointment as receiver the person or firm designated by MORTGAGEES and hereby waive its rights to suggest or nominate any such person or firm in opposition to MORTGAGEE.

No remedy herein provided shall be exclusive of any other remedy which now exists or such may hereafter exist under the Note in favor of MORTGAGEES or by law. Every power or remedy given to MORTGAGEES or to which they may be otherwise entitled, may be exercised from time to time and as often as may be deemed expedient by them, and they may pursue inconsistent remedies. If MORTGAGEES hold any additional security for any obligation secured hereby it may enforce the sale thereof at its option, either before, contemporaneously with, or after the sale is made hereunder, and in the event of any default of MORTGAGOR, MORTGAGEES may, at their option, offset against any indebtedness secured hereby. Should it become necessary for MORTGAGEES, by their election, to pursue any of the remedies hereinabove prescribed, either personally or through its agents, to enter upon and take possession of the property or any part thereof, and collect the rents, issues and profits therefrom, MORTGAGEES shall be entitled to receive as compensation for its management fee an amount customarily charged for such services by reputable management firms.

The purchasers at any foreclosure sale hereunder may disaffirm any easement or right of way granted or rental or lease contract made after the execution of this Mortgage and may take immediate possession of the property free from, and despite the terms of, such grant and/or rental and/or lease contract.

MORTGAGEES shall have all rights, remedies and recourses granted in the Note and this Mortgage and available at law or equity and the same (a) shall be cumulative and concurrent, (b) may be pursued against MORTGAGOR, at the sole discretion of MORTGAGEES, (c) may be exercised as often as occasion therefor shall arise, it being agreed by MORTGAGOR that the exercise or failure to exercise any of the same shall in no event be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, non-exclusive.

If all or any part of the property or interest therein is sold or transferred by MORTGAGOR including, but not limited to (1) the execution by MORTGAGOR of a contract sale with respect to the property, (2) the grant of a leasehold estate in the property or any part thereof for a period of greater than five (5) years, (3) the transfer or sale of the property by a creditor or judgement holder with respect to MORTGAGOR, or (4) the transfer of a leasehold estate in the property or any part thereof containing an option to purchase without MORTGAGEES' prior written consent, excluding the grant of any leasehold estate in the property of five (5) years or less not containing an option to purchase, MORTGAGEES' may, at MORTGAGEES' option, declare all of the indebtedness to be immediately due and payable. MORTGAGEES shall be waived such option to

accelerate if, prior to the sale or transfer, MORTGAGEES, MORTGAGOR, and the person or entity to whom the property is to be sold or transferred reach an agreement in writing otherwise.

If MORTGAGEES exercises such option to accelerate, MORTGAGEES shall give MORTGAGOR notice of acceleration. Said notice shall provide a period of not less than thirty (30) days from the date the notice is mailed in which MORTGAGOR may pay the sums declared due. If MORTGAGOR shall fail to pay such sums prior to the expiration of such period, MORTGAGEES may, without further notice or demand on MORTGAGOR, consider this Mortgage in a state of default and exercise the remedies set forth herein with respect to an Event of Default occurring under this Mortgage.

A consent by MORTGAGEES to one or more sales or above transfers of the property shall not constitute a waiver of the provisions, nor shall it constitute a consent to or for any future sales or transfers by MORTGAGOR, their successors or assigns, and any further sale or transfer of the property by MORTGAGOR, their successors or assigns, or any of them, shall give MORTGAGEES the acceleration rights provided above.

16. Except for any notice required under applicable law to be given in another manner:

(a) Any notice to MORTGAGOR provided for in the Mortgage shall be given by personal delivery or by mailing such notice addressed to MORTGAGOR at the following current address:

Re: Change in Ownership & Notice of Security Interest for Water Right No(s): 47-12496

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to Idaho AgCredit FLCA. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Re: Change in Ownership & Notice of Security Interest for Water Right No(s): 47-13169

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to Idaho AgCredit FLCA. The Department has modified its records and has enclosed a computer-generated report for you.

As mentioned in an e-mail I sent earlier today; I found an additional water right that is appurtenant to this parcel. I have attached a map & water right report for reference. Per County tax lot information, Howard Stahlecker owned all 80 acres, as shown with the outline & hash-lines on the attached map. Per the deeds submitted with the ownership change for Haddee; it appears that she acquired water right 47-12496 as well. This right is identified as being on the upper 40 acres.

If this is correct, we will need an additional \$25.00 to change the water right into Haddee's name. If you also wish to add Security Interest to the additional water right; an additional \$25.00 is needed for that as well. We can use the forms & signatures that have already been submitted. Therefore, we would only need the additional filing fees to update the ownership &/or security interest for 47-12496.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.
