RE: Corrected Ownership Change of Water Right 2-4028

Dear Water Right Holders:

While recently reviewing some notices of change in water right ownership submittals, the Idaho Department of Water Resources (IDWR) discovered that your ownership change involving water right 2-4028 was processed incorrectly. You would have received an acknowledgement letter dated February 8, 2016 relating to this particular ownership change.

Please find enclosed copies of a corrected proof report of water right record 2-4028 and corresponding map for your records. I have also enclosed a copy of the incorrect February 8, 2016 proof report of water right record 2-4028, and the split of that right, 2-10522 (right 2-4028 should not have been split) and corresponding maps for reference.

I apologize for any confusion or inconvenience that this may have caused. If you have any questions, feel free to contact me at your convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Corey Skinner', is written over a light blue horizontal line.

Re: Change of Ownership/Split of Water Right 2-4028
Split into 2-4028 (Tschannen) and 2-10522 (Osprey Dynamics)

Dear Water Right Holder(s):

The Department acknowledges receipt of correspondence splitting ownership of the above referenced water rights. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
