PERMIT # 65-23417

I am not requiring measuring device on this spring. The spring originates on owners property and with a flow I estimate to be $\frac{1}{2}$ gallon per minute. It dies out within a few feet.

I have visited the site and verified this information.

PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 65-23417

Dear Permit Holders:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Debbi Judd
Technical Records Specialist
