Thanks for stopping by the Northern Region office to complete your Application. The Application has been assigned ID number 95-18095.

I noticed, while data entering the legal description for your pump, in Hayden Lake on line 4, that the Township (52 N) is not correct. This has been corrected to read as '51 N' in order to match your Application Map. Please reply to this e-mail to indicate that you approve this correction. It is not necessary for you to come back to the office to physically correct the Township number.

Thanks,
