RE: CHANGE IN OWNERSHIP FOR: 72-10220A, 72-10221A, 72-10222A, 72-10237A, 72-7505A

Dear Claimant:

It has come to our attention that you may have recently purchased a tract of land in Custer County. The property to which I am referring was most recently owned by Confluence Institute Inc. Copies of computer generated reports are enclosed for you review. The legal description includes but not limited to land within the following:

Township 11 North Sections 26, 27 & 35 Range 18 East

On April 26, 2021 the department received a Change in Address Application unfortunately that document is not sufficient to complete an ownership change. **Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property and/or water rights you have purchased.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
