RE: CHANGE OF ADDRESS FOR 74-15977

Dear Sir/Madam:

The department acknowledges receipt of correspondence changing the address of the above referenced water right(s). The department has modified its records to reflect the change in address and has enclosed computer-generated reports for your records.

It appears that you need to have Bessie Hathhorn removed from the water right. Unfortunately that cannot be accomplished with a Change in Address. In order to remove Bessie additional information or forms may be required. If she is being removed via deed, a Notice of Change in Water Right Ownership application evidence of ownership and filing fee is required. If she is being removed due to a passing, a copy of the death certificate and an informal/formal request to have her name removed, and there is no filing fee.

If you have any questions feel free to contact this office at (208) 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
