Dear Department, Personal,

My name is Duane Grant, and I am the president of Grant 4-D Farms, LLC. Our farming company operates multiple farms in the Minidoka, Blaine, Lincoln, and Jerome counties that are subject to the water use agreement and protocol being administered by the Magic Valley Ground Water District.

In the process of reviewing the current standing of the various water rights involved, I discovered that Water Right 36-2585 has somehow been incorrectly recorded in the IDWR system as belonging to Douglas E. Grant Jr., 4647 Mountain Park Road, Chubbuck, ID 83202.

In fact, water right 36-2585 is owned by the above individual's father, (also my father) a Mr. Douglas E. Grant, 707 E 600 N, Rupert, ID 83350. Mr. Grant purchased the water right along with the right's Place of Use from Mr. Melvin Crosby in 1995. A IDWR Standard Form 3 documents the ownership interest passing from Melvin Crosby to Douglas E. Grant in the on-line documents file in the Department's web site.

No documentation exists on the Department's web site, nor in our files, to substantiate any subsequent change of ownership of the right to Douglas E. Grant Jr.

Mr. Douglas E. Grant Jr. does own a water right allocated to a POU that adjoins the Crosby property. That water right number is 36-2684.

Could you please correct the mistake? Feel free to contact me at the numbers below if you have questions.
