RE: Ownership of Water Right 37-22019

Dear Water Right Holder:

On March 17, 2016 the Idaho Department of Water Resources (Department) approved an Application for Extension of Time to Avoid Forfeiture for water right 37-22019. According to our records, you are the current owner of a split portion from water right 37-22019. One condition of the approval was that diversion and use of this water must resume on or before July 1, 2021. Failure to resume use of the water and to notify the Department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the Department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address. Also enclosed is a copy of the certified letter that was sent to the applicant for extension of time.

If you have any questions regarding this matter, please call me at 208-287-4826.

Sincerely,

A handwritten signature in blue ink, appearing to read 'David Betts', with a small 'for' written to the left.
