RE: Change in Ownership Water Right No. 25-7073D

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of Deed, or other legal document indicating your ownership of the property and/or water rights in question. The department acknowledges receipt a copy of a Warranty Deed, however the copy is not signed or recorded. Please supply a copy of the signed 'recorded' Warranty Deed. Also the current owner of the water right listed above is Bradley and Teresa Byington, therefore a full chain of title to the current owner of the water right is required. Please supply a copy of the deed(s) from Bradley and Teresa Byington to Fred Thacker.

**** **Filing Fee:** The filing fee for an ownership change is \$25.00 per water right for an application not resulting in a division of the water right or \$100.00 per water right if a split is required. Please supply the appropriate filing fee.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
