RE: Acknowledgement of Updated Representative: 1-10626

Dear Claimant:

It has come to our attention that you may have recently updated or changed representative information. The water right to which I am referring is 1-10626. On April 7, 2021 the department received a letter requesting the representative information be updated. The information has been updated and a computer generated report showing the change is attached.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
