Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you. You will notice that Lovas Trust has been copied on this letter because they are listed as Security Interest holder on these water rights. The department can remove the security interest with written authorization from Lovas Trust.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline

RE: Notice of Change of Ownership of Water Rights

Dear Sir/Madam,

My firm advises Blackburn Farming LLC, the owner of certain land and appurtenant water in Blaine County. Our client transferred land from one family entity to another via Quit Claim Deed in October 2019. Somehow notice to IDWR was overlooked at that time.

Please contact me should you have any questions.

We have attached the relevant forms, a copy of the Deed, and aerial maps of the POD & POU for the stack of rights conveyed. Also please find enclosed a check for \$350 = the fee of \$25/right, for the stack of 14 rights.

Best wishes,

Greg Travelstead
Managing Member
