Dear Applicant:

The Department of Water Resources has completed its review of your application to lease the above-mentioned water right to the Water Supply Bank. **I have enclosed two original Water Supply Bank Lease Contracts for your review and signature. Please sign and return ALL Lease Contracts within 14 days.** Upon signature and return of the contracts, the Department will also sign the original contracts and return an executed copy to you. To release the right from the Bank prior to the release date, submit a written request on the Request to Release a Water Right from the Bank form. Narrative: The Department received these applications on December 29, 2020. Filing fees were needed and received on February 16, 2021. Only the irrigation use will be in the Bank. These rights were decreed in 2010 and placed in the Bank in 2016-2020. There are no issues of forfeiture. The irrigation POU appears to have a spring running through the middle of it so the land appears greener than surrounding areas. Applicant states the POU will not be irrigated but there will be stock on the land. These rights are limited to the irrigation on 30 acres together but this is additive not limited so they will be on 2 separate leases. These rights are currently within WD 37B.

Thank you for submitting your filing fee for your Water Supply Bank Lease Applications. I just need to clarify one point. On the applications, you checked the box to offer the entire right to the Bank. Your previous contract did not include the stockwater portion of these rights. Did you want to include the stockwater portion also? Please let me know ASAP so I can continue processing these applications. Thank you.

RE: LEASE APPLICATION FEE REQUEST TO LEASE WATER RIGHT NO(S). 37-4301 & 37-21732 TO THE WATER SUPPLY BANK

*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant:

Effective April 8, 2011, Water Supply Bank Rule 25.02 (also known as IDAPA 37.02.03.025.02.f) requires a \$250.00 fee be submitted with all Water Supply Bank (Bank) lease applications. The fee for a set of overlapping rights is a maximum of \$500.00. To clarify, Bank lease applications seek to place water rights into the Bank.

The Department of Water Resources (Department) received your application(s) to lease water right(s) 37-4301 & 37-21732 to the Bank on December 29, 2020 without the required fees. **Please submit the \$500.00 lease application fee within 14 days.** Without the lease fee your application(s) is considered incomplete and will not be processed.

Once the application fee is received, your application(s) will be reviewed. If the right(s) is determined to be eligible for acceptance into the Bank, the right will be entered as of the date of receipt of the application. The acceptance date may be adjusted if additional information is required.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available from the Department's web site, <http://www.idwr.idaho.gov>.

Please contact me if you have any questions at (208) 287-4942.

Sincerely,

Jean Hersley
