

## MEMORANDUM

**Date:** March 30, 2021  
**To:** Transfer 84734  
**From:** Jared Adamson  
**Re:** Review & Evaluation of Sufficiency of Information

Transfer No. 84734 proposes to change the place of use for water rights 73-205, 73-206, 73-2041, and 73-2130 in order to reflect current irrigation practices. The transfer will cover 19 acres of irrigation that was previously being irrigated without a valid water right.

**Authority to File:**

Norman Wallis is the current owner of the water rights per IDWR records, and the current owner of the property at the proposed place of use per Lemhi County tax lot data (updated 4/14/2020).

**Water Right Validity:**

All water rights included in the transfer application were decreed on March 12, 2010. Review of aerial photography available to the department showed no clear and convincing evidence that forfeiture has occurred. Forfeiture is not an issue.

**Injury to Other Water Rights:**

No change to the water rights is occurring that will require advertisement pursuant to Section 42-222, Idaho code. Risk of injury to other water rights is presumed to not exist. The water master does not oppose this transfer.

**Enlargement of Use:**

The approval of this transfer will not result in an enlargement of a water right.

**Local Public interest:**

No issues have been identified.

**Beneficial Use/Conservation of Water Resources:**

No issues have been identified.

**Effect on Economy the Local Area:**

No issues have been identified.

**Effect on Agricultural Base of the Local Area:**

No issues have been identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
