3. The Director of the Idaho Department of Water Resources has reviewed the application for compliance with the Water Supply Bank rules and has approved the Lease subject to conditions listed below.

NOW, THEREFORE, in consideration of the mutual covenants and contracts herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. **WATER RIGHTS:** The Lessor shall lease and the Board shall accept into the Bank the Applicant's water rights described as follows:

13	Narrative: The Department received this application on January 4, 2021. The application was signed by Mark Urness, manager, and he wishes to place the entire right in the Bank. This right was decreed in 2007 and has been in the Bank since 2008. M & C Stanley, LLC purchased the water right in 2015 severing it from the land. The property that was appurtenant to the water right is now serviced by Seuz Water. This is a ground water right and is not currently within a WD.
