RE: Permit No. 85-15716

Dear Interested Party:

The Department received a *Statement of Completion* (proof) for permit 85-15716 from you. This permit is in the name of David Lloyd Wilkinson. A water permit is considered personal property and in order to change ownership of a permit an *Assignment of Permit* (assignment) is required. The assignment must be signed by David Lloyd Wilkerson and notarized. I've enclosing an assignment form for your convenience. In the event that an assignment is not possible, the Department requires proof of your interest in the property appurtenant to the permit. This is commonly accomplished with a copy of a warranty deed including the legal description of the property.

Please feel free to contact me at (208) 287-4920 or debbi.judd@idwr.idaho.gov should you have questions or concerns.

Sincerely,

Debbi Judd
Technical Records Specialist
