IDWR has received and started processing on your Application for the Permit on use of water from the Spokane River. It has been assigned ID number 95-18086.

The location of the Point of Diversion in the River, that you have shown on the Application map, is outside Govt. Lot 3 . Govt. Lot 3 only applies to part of your two place of use tax parcels. The portion of the Application (line 4) for the point of Diversion should read as T50N, R04W, S.8, SW NE. A copy of page 1 from your original Application is attached.

Please reply to this e-mail to indicate you are aware of and approve changing Line 4 to read as 'T50N, R04W, S.8, SW NE.'

Hi Shaun,

I got your voice mail and tried to call back with no luck. Yes, I talked to David about 95-17233 and advised it would probably be better to apply for a new permit as this permit lapsed quite a while ago. He told me he would be going to your office to apply for a new permit.

Thanks,
Debbi
