Subject: 65-24025 POU table correction needed
Attachments: 65-24025 PG 2.pdf; 65-24025 POU MAP.PDF

Good afternoon,

Our office received the attached Application for Permit No. 65-24015 from you on March 12, 2021. The application is considered complete at this time by Department standards but it seems the table under item 9.b. needs correction before we can continue processing this application.

Item 4 of your application and the attached map suggest your proposed place of use (POU) is within the NENW quarter-quarter. The table under item 9.b. describes the NWNE quarter-quarter section. The NENW quarter-quarter should be described as follows:

TWP	RGE	SEC	NE				NW				SW				SE				TOT
			NE	NW	SW	SE	NE	NW	SW	SE	NE	NW	SW	SE	NE	NW	SW	SE	
14N	04E	36					D												

With this email, I attached Pg. 2 of your permit application. Please correct item 9.b. to reflect the true POU.

I also attached an aerial map of your proposed location to this email. Please use the map to outline the area you intend to develop for your domestic uses.

Please contact me if you have any questions.

Thank you,
Anna
