RE: Change in Ownership Water Right Nos: 29-8239, 29-10400, and 29-10552

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received Notices of Change in Water Right Ownership (Notice) from you on January 4, 2021 and February 8, 2021 for the above referenced water rights. The Notices could not be processed because water rights 29-8239 and 29-10552 are not appurtenant to the property described in the quit claim deed you provided. Water right 29-10400 is appurtenant to the property described in the quit claim deed, but that right is in the name of Donald T & Nelda M Williams Trust. The quit claim deed is not sufficient documentation to update water right 29-10400 and requires trust conveyance documents as explained in a previous email conversation (last dated March 19, 2021).

The Department is returning your Notices of Change in Water Right Ownership and the attachments. A refund of \$75 has been requested and will be mailed to Travis T. or Heather Williams under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd

Heather,

The death certificate would have been sufficient to remove Donald as an owner for 29-8239, but that water right is not appurtenant to the property described in the quit claim deed. The ownership for that water right will not be updated. Water rights 29-10400 and 29-10552 are in the name of the trust. Water right 29-10552 is also not appurtenant to the property described in the quit claim deed and also will not be updated. The only water right appurtenant to the property described in the quit claim deed is 29-10400, which is the only right that can be updated according to the quit claim deed property description, but that right can only be updated with the appropriate documents described in the email below. I will be returning the ownership change notices for all water rights on Monday and you can resubmit a notice for 29-10400 when you have the necessary documents. A refund will be requested for the fees paid for all three water rights.

Thanks
Debbi

Thank you. This is helpful. You previously said that the death certificate transferred 29-8239, is that still correct? We are currently just working on 29-10400 and 29-10552?

Heather,

This is a somewhat complicated. First, after plotting the property described in the quit claim deed, only one water right is appurtenant to the property. That water right is 29-10400, which is a domestic and stockwater right. I asked one of our attorneys to review the trust for guidance and the following was his determination:

“If Nelda (the Trustee and Surviving Spouse) desires to convey property held in the trust she needs to convey the property out of the trust first. In this case my advice would be that IDWR obtain the written instrument conveying the property pursuant to Article VII, Section 3.

That section requires the following:

1. Surviving Spouse --> Trustee = Instrument in writing describing property to be

withdrawn.

2. Trustee --> Surviving Spouse = Nelda may convey and deliver property.

Obviously, we do have the Quit Claim Deed illustrating the second part of this "transaction." However, we do not have an instrument in writing showing the property being withdrawn from the trust. So, from a legal perspective, Nelda's Quit Claim Deed was conveying trust property, not actually owned by her.

To rectify this, my advice would be for IDWR to, again, obtain the written conveyance from Nelda acting as Trustee to Nelda as the Surviving Spouse. This would also necessitate a new quit claim, as only then would the property be Nelda's individual ("free of trust") property to convey."

I think his explanation is better than my trying to explain what his conclusions are. You may need legal assistance with this as it is fairly complicated.

Thanks,
Debbi

You should be able to download it to your computer and then save it or print it. There is not a conveyance document other than the Trust. In the terms of the Trust the property became Nelda's upon Donald's death. It appears she just took the death certificate and the Trust to the county and they transferred the property to her name back in 2002.

Re: Donald T. and Nelda M. Williams Trust

To whom it may concern:

I do legal work for the family of Donald T. (deceased) and Nelda M. Williams. As a part of their estate plan the Donald T. and Nelda M. Williams Trust was established pursuant to Trust Agreement dated December 4, 1998. The current co-trustees of the Trust are Nelda M. Williams, and grandsons Travis T. Williams, and Justin E. Williams. Enclosed please find a copy of the Certificate of Trust which evidences the existence of the Trust and the authority of the co-trustees in accordance with Idaho law.

It has come to our attention that a copy of the entire Trust Agreement is posted on the public's site at the following IDWR link:

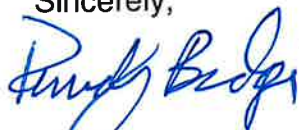

<https://idwr.idaho.gov/apps/ExtSearch/RelatedDocs.asp?Basin=29&Sequence=10400&SplitSuffix=>

https://idwr.idaho.gov/apps/ExtSearch/DocslImages/t5x601_.PDF

The Trust Agreement incorrectly and inadvertently became a part of the public record after it was provided by email dated 2/2/2021 from Travis and Heather Williams to IDWR employee Debbi Judd in conjunction with a change of water rights ownership. Notwithstanding, it is the desire of the family to protect their privacy by removing this document from public record and substituting in its place the attached Certificate of Trust.

Please address this at your earliest convenience and contact me if you have any questions.

Sincerely,

RANDALL C. BUDGE

6. The trustee(s) are authorized by the trust agreement to have all the rights, powers and authority to deal with and manage the assets of this trust that an individual owner would have if there were no trust and the trustee(s) were acting as legally competent individual(s) dealing with their own property. This includes all powers now or hereafter conferred upon trustee(s) by applicable state law, and also those powers appropriate to the orderly and effective administration of the trust.

6. The undersigned hereby represent that the statements contained in this Certificate of Trust are true and correct, and that there are no other provisions in the trust agreement or amendments to it that limit the powers of the trustee(s) to sell, convey, pledge, mortgage, lease, manage, operate, control, transfer title, divide, convert, allot, or sell upon deferred payments trust property, including real and personal property, that would create liability for any third party relying on this document as authorization for trustee(s)' authority.
