Hi Jerry,

No need to correct and resend the form. I will add this email to the file for clarification.

Thanks,
Debbi

Ms. Judd,

I have received a Proof Acknowledgement Letter from you indicating that I have incorrectly answered item number 6. You are correct. Item 6 should not read 9.5 acres but rather in the other category, it should read aesthetic, aesthetic storage and diversion to storage.

Can I correct this form, by crossing out the 9.5 acres and initialing that item and then adding in the correction to other and then returning the the form? If so do I return the form to you in Boise?

I am sorry about this misstep on my part.

Thank you,

Jerry Binder
