RE: Change in Ownership Water Right No. 21-7360, 21-13269 & 21-13270

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department received all the required information to update 21-7360 and 21-13270.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership/Filing Fee:** According to the information filed with the department a portion of water right 21-13269 is not owned by Alpenglow Red Rock LLC. Please review the maps attached, if you believe you do own the portion of the water right in question, please supply additional evidence of ownership. If you believe a split is required please supply an additional filing fee of \$75.00. The fee for an ownership change resulting in a split is \$100.00 per water right. The department already received \$25.00 therefore an additional \$75.00 would be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
