RE: Water Right No(s): 41-24B and 41-7022 Change in Ownership

Dear Mr. and Mrs. Ralphs:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership (Notice) from you on August 26, 2019 for the above referenced water rights. The Notice could not be processed because the documentation submitted with the Notice was insufficient to convey ownership of the rights. Since that time our office has had several phone conversations with you in an effort to complete processing of the Notice.

On January 14, 2020 our office mailed a deficiency letter to you outlining the issues and suggesting possible solutions. We sent out another letter on October 2, 2020 which gave additional alternatives to bring the situation to a successful conclusion. That letter gave a 30 day deadline, which was extended to December 1, 2020 via telephone. At this point, nothing has been received which would enable our office to process the Notice, so we are returning the Notice and I will initiate a refund of your \$50.00 in fees which were paid when the Notice was filed. You may resubmit the Notice at any time with the proper documentation and fees.

If you have any questions regarding this matter, please contact me at (208) 293-9909.

Sincerely,

Jim Bitzenburg

RE: Change in Ownership for Water Right No(s): 41-24B and 41-7022

Dear Mr. and Mrs. Ralphs:

I am making another attempt to complete the work on the Notice of Change in Water Right Ownership which was received in our office on August 26, 2019. As we have discussed before, the Notice cannot be processed at this time because there is insufficient documentation to convey the water rights into your names. You submitted two quitclaim deeds, one which conveys property from the Alvin L. Ralphs Irrevocable Family Trust to Reynold and Fay Ralphs, and another which conveys property from Delford and Mary Ellen Ralphs to Reynold and Fay Ralphs. We can accept quitclaim deeds to convey water rights if they convey the rights from the last known recorded owner of the water rights. The two water rights in question show Reynold Ralphs and Delford Ralphs as the current owners, so if you could provide a quitclaim deed specifically conveying rights 41-24B and 41-7022 from Reynold Ralphs and Delford Ralphs to Reynold Ralphs and Fay Ralphs, we could continue processing the Notice. The quitclaim deed would not have to convey land, just the two water rights.

Alternatively, we would need warranty deeds for all of the ground to which the two rights are appurtenant. That would necessitate splitting right 41-7022, because 2.0 acres of that right are appurtenant to ground which is owned by another person (NESW, Section 1, T11S, R31E). The warranty deeds would need to show Reynold Ralphs and Fay Ralphs as the current owners of the property.

Another option would be to go to the Power County Assessor, and obtain copies of the chain of deeds from the time the land was decreed to Delford and Reynold Ralphs (2002) to the present ownership by the two of you. The issue with the 2.0 acre portion of water right 41-7022 appurtenant to the land in the NESW of Section 1, T11S, R31E, which the Power County Assessor's tax parcel map shows to be owned by the Logan Robinson Revocable Living Trust/Cindy Reed would still exist. Unless you could obtain a Quitclaim Deed from the other property owner conveying any interest they have in right 41-7022, we would still need to split right 41-7022, which would require another \$75.00 in fees. I have enclosed maps of the two farms from the Power County Assessor website which may be helpful when you go to the Assessor's office to obtain conveyance documents.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 293-9909.

RE: Change in Ownership for Water Right No(s): 41-24B and 41-7022

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

☒ Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question.

After reviewing the Notice and accompanying documentation, we cannot process it without additional documentation. You submitted two quitclaim deeds, one which conveys property from the Alvin L. Ralphs Irrevocable Family Trust to Reynold and Fay Ralphs, and another which conveys property from Delford and Mary Ellen Ralphs to Reynold and Fay Ralphs. We can accept quitclaim deeds to convey water rights if they convey the rights from the last known recorded owner of the water rights. The two water rights in question show Reynold Ralphs and Delford Ralphs as the current owners, so if you could provide a quitclaim deed specifically conveying rights 41-24B and 41-7022 from Reynold Ralphs and Delford Ralphs to Reynold Ralphs and Fay Ralphs, we could continue processing the Notice. The quitclaim deed would not have to convey land, just the two water rights.

Alternatively, we would need warranty deeds for all of the ground to which the two rights are appurtenant. That would necessitate splitting right 41-7022, because 2.0 acres of that right are appurtenant to ground which is owned by another person (NESW, Section 1, T11S, R31E). The warranty deeds would need to show Reynold Ralphs and Fay Ralphs as the current owners of the property.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

I have enclosed copies of water right reports for rights 41-24B and 41-7022 for your information. If you have any questions regarding this matter, please contact me at (208) 293-9909.

Sincerely,
