Subject: Idaho Water Right Application for Permit (Skelton)

Ms. Blalack:

Below are key points, and additional information, to summarize our phone conversation earlier today about the Brian Skelton Application For Permit. I will be out of the office Friday.

- 1) The Application fee for the current Application for Permit is \$100.
- 2) An additional well upgrade fee (\$125) is required if the Application is amended to include Irrigation. The first 0.5 acres of lawn, garden, and landscaping is covered under Domestic use but any additional amount requires Irrigation to be listed on the Application and triggers the well upgrade fee. (Please add the words '...0.5 AC lawn garden, IRRIG...', after the words 'Single Residence' on the current Application.
- 3) Line 2 (b) of the Application must agree with the signature on the 2nd page of the Current Application. You can sign the Application but the second box on line 2(b) would be checked and you must attach power of attorney or other documentation showing your authority to sign.
- 4) Each of the pages of the Application/ map and any accompanying material should be single sided.

Thanks,

Shaun M. Maxey
