RE: Application for Permit No. 87-12263

Dear Applicants:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the MOSCOW PULLMAN DAILY NEWS on 3/18/2021 and 3/25/2021. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Tammy Alleman
Administrative Assistant

MEMORANDUM

To: Water Right Application 87-12263

From: Luke Bates 

Date: 3/1/2021

Re: Application for a Permit to Appropriate Water within the State of Idaho.

An application for permit for irrigation use in the name of Doug Gadwa and/or Lisa Gadwa was received on 3/1/2021. The applicant had entered South Fork Palouse River as the source, with the tributary designated as the Snake River. During application data entry, Arcmap DRG layer identified the correct tributary should state the Palouse River. The tributary was corrected to state Palouse River at time of application processing prior to advertising review.
