Subject: Application for Transfer 84270 (Sorensen)

I want to make sure that all of the parties are aware of the email, shown below, sent yesterday afternoon. Luke Marchant (representing the applicant) and Jim Speck (representing Joel Andersen) would like to extend the deadline for filing expert reports to allow time to continue settlement discussions. The expert report deadline applies to all parties and any extension would also apply to all parties. I don't have any concerns with extending the expert report deadline by one week, but wanted to be sure that all of the other parties were aware of the extension. Please let this email confirm that the deadline for filing expert reports in the above-referenced case has been extended to January 22, 2021. I don't have an email address for Jerry Browne and will send him a copy of this correspondence by mail.
