Re: Abandonment of PPU Acres

Today I reduced the PPU for rights 47-127A and 47-2552 by 12.0 acres in the NWSE of Section 36, T11S, R18E per Notice of Abandonment of Water Right submitted by ISE 555 Broadway, LLC on 2/5/2021. Current landowner on those acres quitclaimed any interest in the above rights prior to the Abandonment. Both documents are scanned into back files of the two above rights. Diversion rate, volume, and irrigated acre limits of the rights remain unchanged with this action.

Re: Brent and Chalet Funk

Dear Mr. Skinner:

Brent and Chalet Funk desire to split water rights 47-7673, 47-140, 47-141, 47-142, 47-143, 47-157A, 47-2491, 47-2511, 47-2566 and 47-2546. The water rights split are based on the 2012 quitclaim deed from L & S Land Holdings, LLC.

Attached to this letter is a quitclaim deed from Brent and Chalet Funk regarding water rights 47-127A and 47-2552. These water rights current irrigation place of use identifies property owned by Brent and Chalet Funk but the water rights are owned by ISE 555 Broadway LLC. The quitclaim deed conveys all legal ownership of 47-127A and 47-2552 to ISE 555 Broadway LLC.

Attached to this letter is a notice of abandonment of water right. This document is being submitted on behalf of ISE 555 Broadway. Right now, the irrigation water rights owned by ISE 555 Broadway currently identify the 12.0 acres located in Township 11 South Range 18 East Section 36 NWSE in their irrigation place of use and 1,505.0 permissible place of use. This document will reduce the size of the irrigation place of use and permissible place of use by 12.0 acres. The abandonment document is not intended to reduce any diversion rate, annual volume or allowed acres to be irrigated.

Please contact me if you have any questions.

Sincerely,

Greg Sullivan, M.S., Engineer
