Re: John Kimura Trust Administration
Kimura/Cook Application
Our File No. 17575

Dear Mr. Bradbury:

Our office represented John Kimura in his business and estate planning matters for many years. As you may be aware, John passed away on December 19, 2020. Our office is representing John's brother, Gary Kimura, in his capacity as Successor Trustee of John's Trust.

Due to John's death, we are undergoing a trust administration process. As such, we will not be able to deal with any issues relating to John's Idaho properties at this time. In California, there is a 120-day notice provision that must pass before any significant activity can occur with respect to trust administration matters, including trust assets and other trust business.

Once the 120-day notice period expires, and we have dealt with required notices to various agencies, creditor notices, and other immediate issues, we will analyze the issues that are currently before the Department Water Resources and discuss these with the beneficiaries who are inheriting this property. We will then timely deal with these matters.

Please contact me or my paralegal, Janet Dailey, if you have any questions regarding this matter.

Very truly yours,

**WAGNER KIRKMAN BLAINE
