Re: Change in Ownership for Water Right No(s): 37-444, 37-446, 37-2541, 37-7636A, 37-22994,
37-22995 & 37-22996

Dear Mr. & Mrs. Anhder:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. Per our meeting on February 16, 2021, the Department has also recently received the necessary Quitclaim Deed in which Phil Cash conveys water right no(s). 37-444, 37-2541 & 37-7636A to you. We have modified our records and have enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
Administrative Assistant 1
