To whom it may concern at the ID Department of Water Resources,

The property at 5459 West Pine Lane, Meridian Idaho, has not had access to it's shares of ditch irrigation water for as long as I have lived next to the property. From our understanding, due to the physical proximity of the property it has challenges that will always specifically affect their ability to use the ditch irrigation. We support the property owner's application for an irrigation well.

Sincerely,
