Mr. or Mrs. Ladewig:

Your Application For Permit arrived in our U.S. mail earlier today. Unfortunately there is a minor error on the legal description of the well, shown on page 1 of the Application, that must be corrected.

Please refer to the attachment with the words '...App Correction...' that appear in the title. This shows the yellow highlighted change in red ink that needs to be made to correct the legal description for your Point of Diversion well. Please make the correction on the other attachment (photocopy of page 1 of your original application) and return it to my attention at IDWR. This will make Line 4 of your Application match the legal description for you well that is shown on your Application map, the D0033323 Driller's Report, and on Kootenai County's property parcel printout for your property.

Please print out the 2nd attachment with the words '...App Pg. 1...' and make an initialed and dated correction to show the correct Quarter Quarter in the legal description. You can use any pen color. This attachment, on which you have made the correction, should be returned to me as soon as possible.

I am sending you a copy of the two attachments to you via U. S. mail later today. You can return the copy I am mailing to you if you don't have access to a printer to print out the e-mail attachment.

Thanks,

Shaun Maxey
