RE: Transfer No. 84393
Water Right No(s). 29-14210

Dear Applicants:

You previously receive a letter from us stating that a legal notice for your application would run in the Idaho State Journal on 9/30/2020 and 10/7/2020. Unfortunately, due to a publisher error, the notice did not run on the 10/7/2020 date. Idaho code requires that these legal notices run for two *successive* weeks; as such, we are required to publish this notice for the upcoming two weeks.

A legal notice of the application has been prepared and is scheduled for publication in the IDAHO STATE JOURNAL on 10/14/2020 and 10/21/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

Christina Henman
Administrative Assistant
