Re: Change in Ownership for Water Right Nos: 78-7050, 78-7397, and 78-10321

Dear Water Right Holders:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd

Subject: Change in Ownership for Water Rights:

Jean,

I am the attorney for Dan Vaughn and he asked me to respond to you. He is copied on this email. You are correct. That was a typo on the application. It should have been for the transfer of all three water rights: 78-7397, 78-7050 and 78-10321. All three water rights owned by the William and Mary Carter should transfer to Dan Vaughn, James Vaughn and Cynthia Sangster.

Dan - can you reply to this everyone on this email that you concur with that conclusion?

Also, I am emailing a second check. This one will be for an additional \$50.

I appreciate your help with this. Please let me know if you have any questions or concerns.

Regards,

Matt Jessup

Subject: Change in Ownership for Water Rights

The Department received your request to update the ownership of water rights 78-7397, 78-7050. On the form however, water right 78-7397 was written twice but a map and water right report for 78-10321 was enclosed. I'm confirming that water right 78-10321 is one of the water rights you would like updated.

Also, the filing fee for a Change in Ownership is \$25 per undivided water right. The filing fee for your request is \$75. The Department only received \$25. Please submit the additional \$50 to complete the request. Thank you.

Please provide the requested information and fees within 30 days or the request may be returned unprocessed. If you have any questions, contact me at (208) 287-4942. Thank you.
