This right was decreed in 2009 and placed in the Bank in 2011-present. Forfeiture is not an issue. Applicant states the POD is on the corner of the lot however, this right is diverted from the Snake River. The point that the water enters his property may be on the corner. This right is split from a Montierth water right. There is a condition that limits this right with 61 other rights to 74.3 cfs. If rented, the rental amount if diverted from a different point of diversion should be a proportional reduction of the overall diversion rate. Please adjust accordingly. (74.3 (limit) ÷ 95.339 (total of all rights) = 0.779 x 0.214 (diversion rate = 0.166 or 0.2 cfs-rentable limit). This right is not currently within a WD. No comments were solicited from Western.
