RE: Change in Ownership Water Right Nos: 55-2072A, 55-4057, 55-13453, and 55-13454

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

 X Notarized Signature for Warranty Deed – the deed you submitted is missing the notarized signature page.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the necessary documentation within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd
