DEPARTMENT OF
WATER RESOURCES

Dear State of Idaho Department of Water Resources,

We are seeking water rights from only our own well and property and mostly for health reasons. Like my mother I am extremely susceptible to illness, which can become serious, to any type of treated water. Particularly to city water with any derivatives of chlorine. For example, I cannot drink the water from Blanchard, the next town over. Believe me I cannot even shower in chlorine water.

When I was young my mother had stage 4 leukemia and it turned out to be from the drinking water. We moved to a rural location in Upstate New York with a well and my mother completely recovered. We never expected this miracle, but we certainly learned from it.

My husband and I have lived on our property in Bonner County between Spirit Lake and Blanchard (Spirit Lake address) for 15 years. Not only are we excellent stewards of our land and water – using techniques such as Back-To-Eden Gardening using 1/3 of the water other people use for their gardens, and the water for me is imperative to my health. We also do not water our yard (grass) to save on the unnecessary use of water and fuel.

We are respectfully applying for and need our own water rights on our 5-acre property. See enclosed form.

Thank you for your Time and Help,

Russell S. Spirggs & Jeanne M. Considine

My apologies for any misinformation. We have exactly 4 goats, 12 chickens, 2 dogs and 2 cats.

Where the 50 head came from I do not know.

I will be in Moyie Springs Today and it is Saturday. Will plan on calling you Monday.

Thank you for your help and anticipated understanding,

Ms. Considine:

I'm sending this response via e-mail because the voicemail message you left for me said that you wanted to know if your Application is O.K. and are having some phone reliability issues.

- 1) I need to speak with you regarding what is meant to be the correct number for livestock shown on Line 8 (b) of the Application. You have both 50 head '...Mixed Stock...' and '...Less 12 Chicken 3-4 goats...'
- 2) I also need to speak with you about Line 8 (d) . Based upon the text you have written in elsewhere on the Application the circled 'No' should be crossed off and initialed and the word '...Included...' added.

You can send in your reply to #1 and #2 above by replying to this message via e-mail to indicate which items you want crossed off and initialed.

Our U.S. mail has not been delivered as of 2 P.M. today. I will contact you after our U.S. mail has arrived.

Re: Application for Permit Unacceptable for Filing (Rule 35 Application Requirements)

Dear Applicants:

Idaho Department of Water Resources (IDWR) received your Application for Permit on December 11, 2020, at our State Office in Boise, to divert water from a well. The Application appears to be applicable to Bonner County parcel RP54N04W190600A with a physical address of 269 Walnut Lane. **The Application is unacceptable for filing because the Application was received with no legal descriptions for the Point of Diversion well and Place of Use, no map, and no payment of the filing fee.** Your original Application is enclosed.

I will attempt to track down information on your well, based on our phone conversation earlier today. I will also send you a draft Application for Permit.

We did not discuss the Coeur d'Alene Spokane River Basin (CSRBA) Adjudication process during our phone call. Please contact me at (208) 762.2816 or the CSRBA staff at our Coeur d'Alene office if you need information on filing a claim in the Adjudication.

An Application that is acceptable for filing must be received no later than January 19, 2021. IDWR will take steps to terminate the Application, if no response is received, in accordance with Idaho Code § 42-204.

Respectfully,

Shaun M. Maxey
