PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 63-33409

Dear Permit Holder:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

The proof also included a payment of \$50 for the license examination fee. This permit authorizes 0.24 cfs, which requires a license examination fee of \$100. On September 28, 2020, a Request for Extension (request) was received for the above referenced permit. The request was received early and has not been fully processed, therefore the Department is returning the request and the \$50 fee will be applied to the license examination fee.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Debbi Judd

Good afternoon!

An extension request for permit 63-33409 was submitted on 9/28/2020 and is being returned. Proof was submitted, which is deficient due to insufficient fees (\$50 was paid, the required fee is \$100). Please apply the \$50 fee for the extension to the proof. The extension receipt number is C109301 and the proof receipt is W049010.

Thanks,
Debbi
