Thanks Angie. That time works for Dr. Katsilometes and I. In the meantime, we will be looking for the draft licensing amendment application you mentioned that you would send.

Thanks.

Charlie

Charlie,

Good morning! Thank you for reaching out to reschedule. I'm sending this email to memorialize the date and time we discussed for our rescheduled meeting. The new conference call is scheduled for Friday, 2/19/2021, at 3 pm. You and Mr. Katsilometes may use the same conference call number used for the previous meetings (208-287-6751). I will let you know if Ashley and/or Shelley have a conflict I'm not aware of and we need to find a different date and time, but for now, I believe this new date and time will work for IDWR.

Regards,

Angie

Subject: 1/21/21 meeting re: Permit No. 29-13672

Angie: We have a telephone conference scheduled for this coming Thursday, 1/21 at 4:00 pm to discuss the above-referenced Permit. Dr. Katsilometes has been attempting for some time to reach Dr. Thomas Lachmar, who submitted a September 27, 2005 report to IDWR in support of permit no. 29-13672. You will recall that Dennis Owsley evaluated Dr. Lachmar's report in his memo of March 18, 2008.

Dr. Katsilometes finally managed to contact Dr. Lachmar's department at Utah State University to ask them for a response to Mr. Owsley's conclusions. To the extent that the University and Dr. Lachmar are able to provide that response and information, we believe it might be helpful to IDWR in making this decision. Accordingly, we would ask to postpone the meeting scheduled for this Thursday a little while longer (perhaps a couple of weeks to a month?) so that the information can be made available to IDWR.

Please let me know if postponement will work for you.

Thank you.

Charlie,

I propose we set our next conference call for Friday, January 8, 2021 at 3 pm. We can use the same conference call phone number (208)287-6751. I will verify this date and time work with Ashley and Shelley. If we need to set a different time I will let you and George know.

Thanks,
Angie

Angie: I apologize, but I forgot to suggest dates on which we should have our next conference call.

Most of that first full week of January will work for Dr. Katsilometes and I. Shall we try for sometime either Wednesday, January 6 or Friday, January 8?

Thanks.
